

K Cap Specification and Applicable Vehicle Types

1. Specification: Φ 44mm、 Φ 38mm

2. Applicable vehicle type:

- a. K-cap improves the performance in all kinds of fossil fuel burning automobiles. However, due to the different manufacturing standards, we adopt the 44mm & 38mm internal diameter to be the standard specification.
- b. Except few vehicle types, K Cap can be applied to all kinds of cars.
- c. According to the tests, K Cap is not applicable to special vehicles types like race car or sports car. If the above-mentioned car owner wants to experience the power of K Cap, please send your original gas cap to our company for refit. About the refit price, please contact us.
- d. K Cap has two types designed respectively for normal vehicles (under 1600cc) and for heavy-duty vehicles.(1600cc-3000cc)
- e. Four-wheel drive vehicles are recommended to adopt the heavy-duty K Cap.

3. Other Information:

All gas caps can be refitted as K-cap. Please contact us at 65-67697500 or our e-mail: engpeter@engshengproducts.com
